

God's children should be busy as bees and hard working as ants.

Supply a letter to make the name of an insect or other crawling/flying creature. Then use the letters to find Paul's message to us.

Paul wanted all Christians to be diligent in their work.

Unscramble the words that might be used to describe people who do not work as hard as they should. Then use the numbered letters to find what Paul said should happen to them. (L's and O's are done for you to give you a head start.)
