Seventy Elders

The children of Israel were complaining because they wanted meat to eat. God provided 70 experienced men to help Moses lead the people.

Find these three faces.

God asked Moses to bring 70 of the elder leaders together at the tent.

Follow the steps to draw the tent and write the number 70.

2 of the elders did not go out to the tent, but God's Spirit rested on them as well.

Write the letters in the boxes.
